SAFETY, QUALITY AND COLLABORATION

TEAMING UP WITH:

Community Outreach

Our Stewardship Committee met with President & CEO, Tom Conklin of Make a Wish, Hudson Valley to hear from him how the Cricket Valley Team could help the children in our area.

It is an organization that each construction project has connected with in the past.

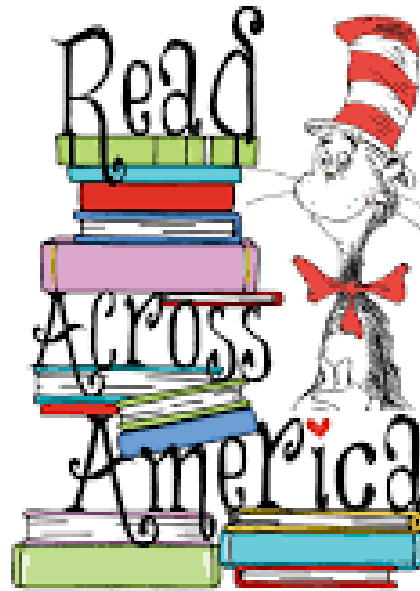

Community Outreach

On March 5th , Cricket Valley Project Manager, Scott Curry, joined a Wingdale Elementary class to celebrate Dr. Seuss' birthday by reading to the children.

The “Read Across America” program is always a highlight of the school year when adults come and read with the students.

Construction Highlight

March 8th the CVEC Project Management Team hosted a lunch to celebrate International Women’s Day (IWD), inviting all the women connected to the project. There are currently 53 women working here.... engineers, planners, pipe welders, electricians, and more.

The 2019 IWD theme is “**Better Balance, Better World**”!

Construction Highlight

The Frank Lill and Son Millwrights installed 3 Combustion Turbines and 3 Steam Turbines with no injuries, incidents and an exceptional attention to detail, earning them the recognition for **“Crew of the Month”**.

Great Job!
