Cricket Valley Energy

Monthly Progress Update

May 2019

Jobs for 1,100 workers

Energy for 1,000,000 homes

Steps for Safety

Safety Statistics (Job to Date)

	Generation Station	Transmission Line
Near Misses	59	6
First Aids	200	7
Recordables	15	1
Lost Time	1	0
Hours Worked	2,697,463	180,040

Cricket Valley Energy Center Construction Progress

Community Outreach

This month, we handed off the money collected for all 1600 boxes of Girl Scout cookies sold last month and delivered a carload of 400 donated cookies to the Center of Compassion.

Community Outreach

One of our local employees has a son in Cubs Scouts.

Our success with the Girl Scouts inspired him to act and the team easily supported his candy sales, cleaning out his boxes as fast as he could bring them!

Community Outreach

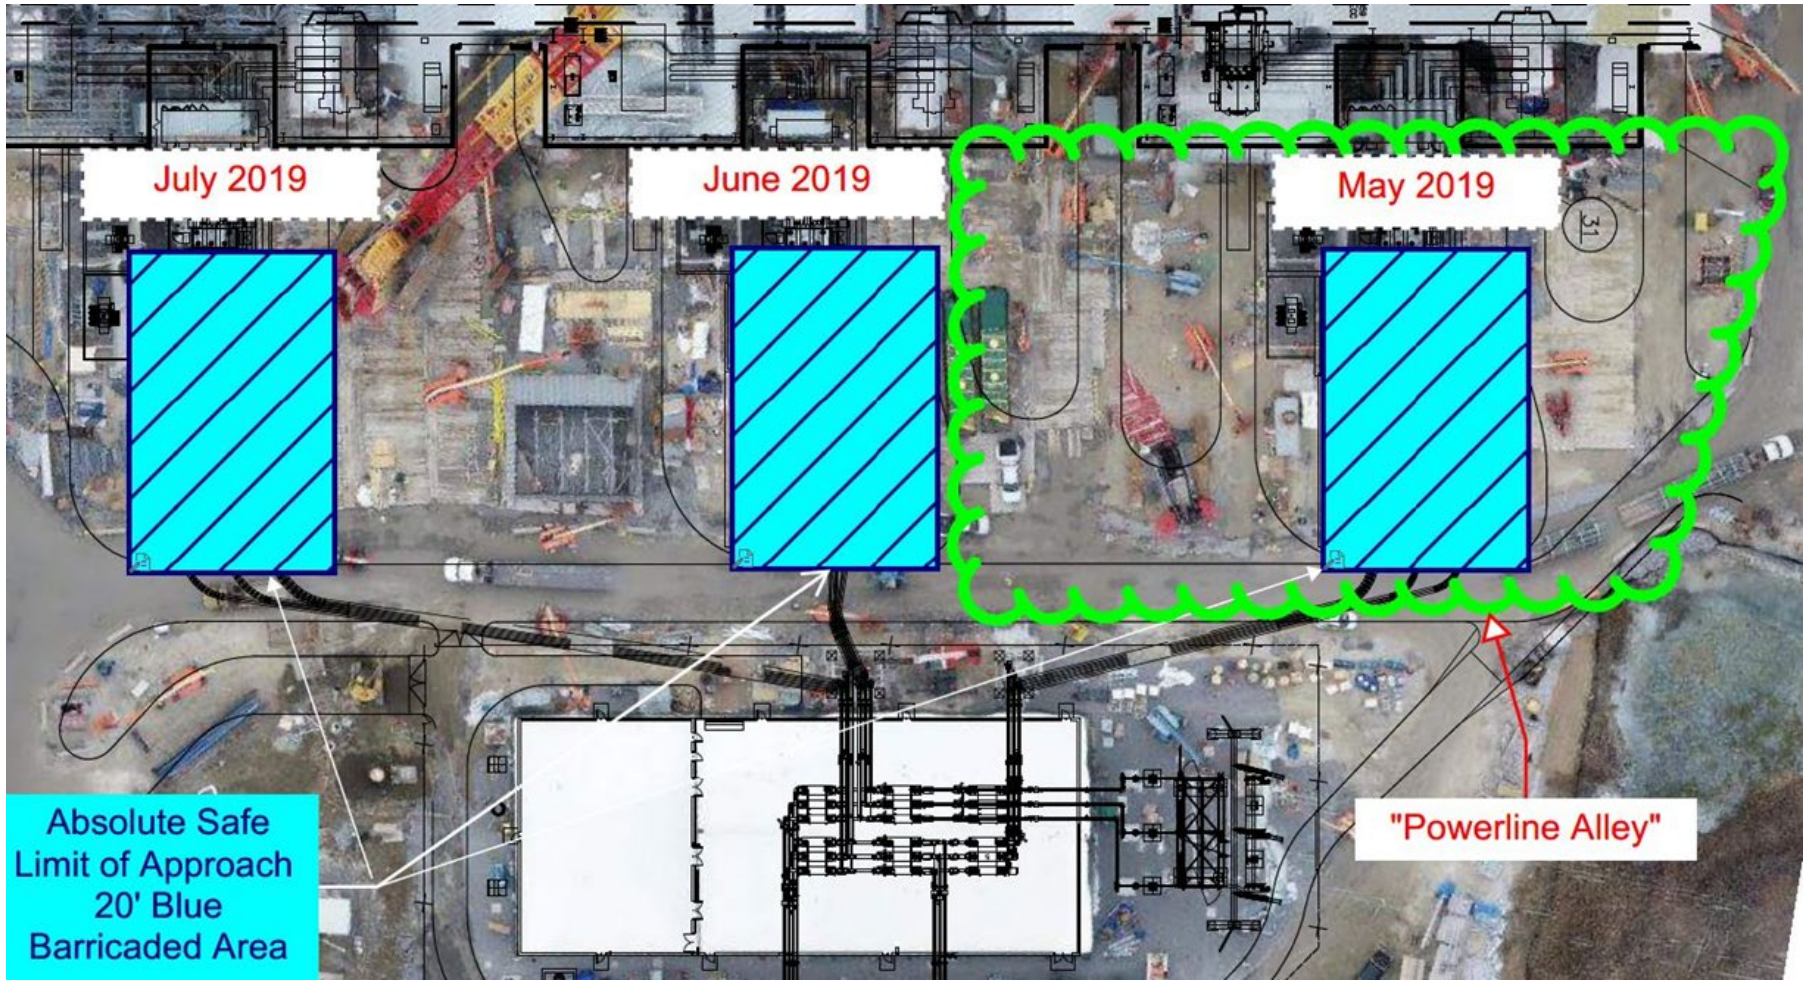
Members of the J. H. Ketcham Fire Company were invited to the Site for the Energization of Unit 1.

Another Project Milestone

Unit 1 is energized!

The area is shown here in the green outline.

Two new critical safety work processes are now in place as the high voltage power gets turned on and gas gets tied in to the Site.



Another Project Milestone

CVEC had its first formal handover as the keys
to the GIS Building went to Con Edison this month.

Construction Highlight

A large part of the Project's focus has turned from construction to "startup" as the Startup Crew is mobilizing and we enter the plant commissioning phase.

The Control Center located in the Admin Building is the central hub for all plant commissioning.

Construction Highlight

Now that the three stacks have been completed, the Frank Lill and Son Crew was recognized as “The Crew of the Month”.

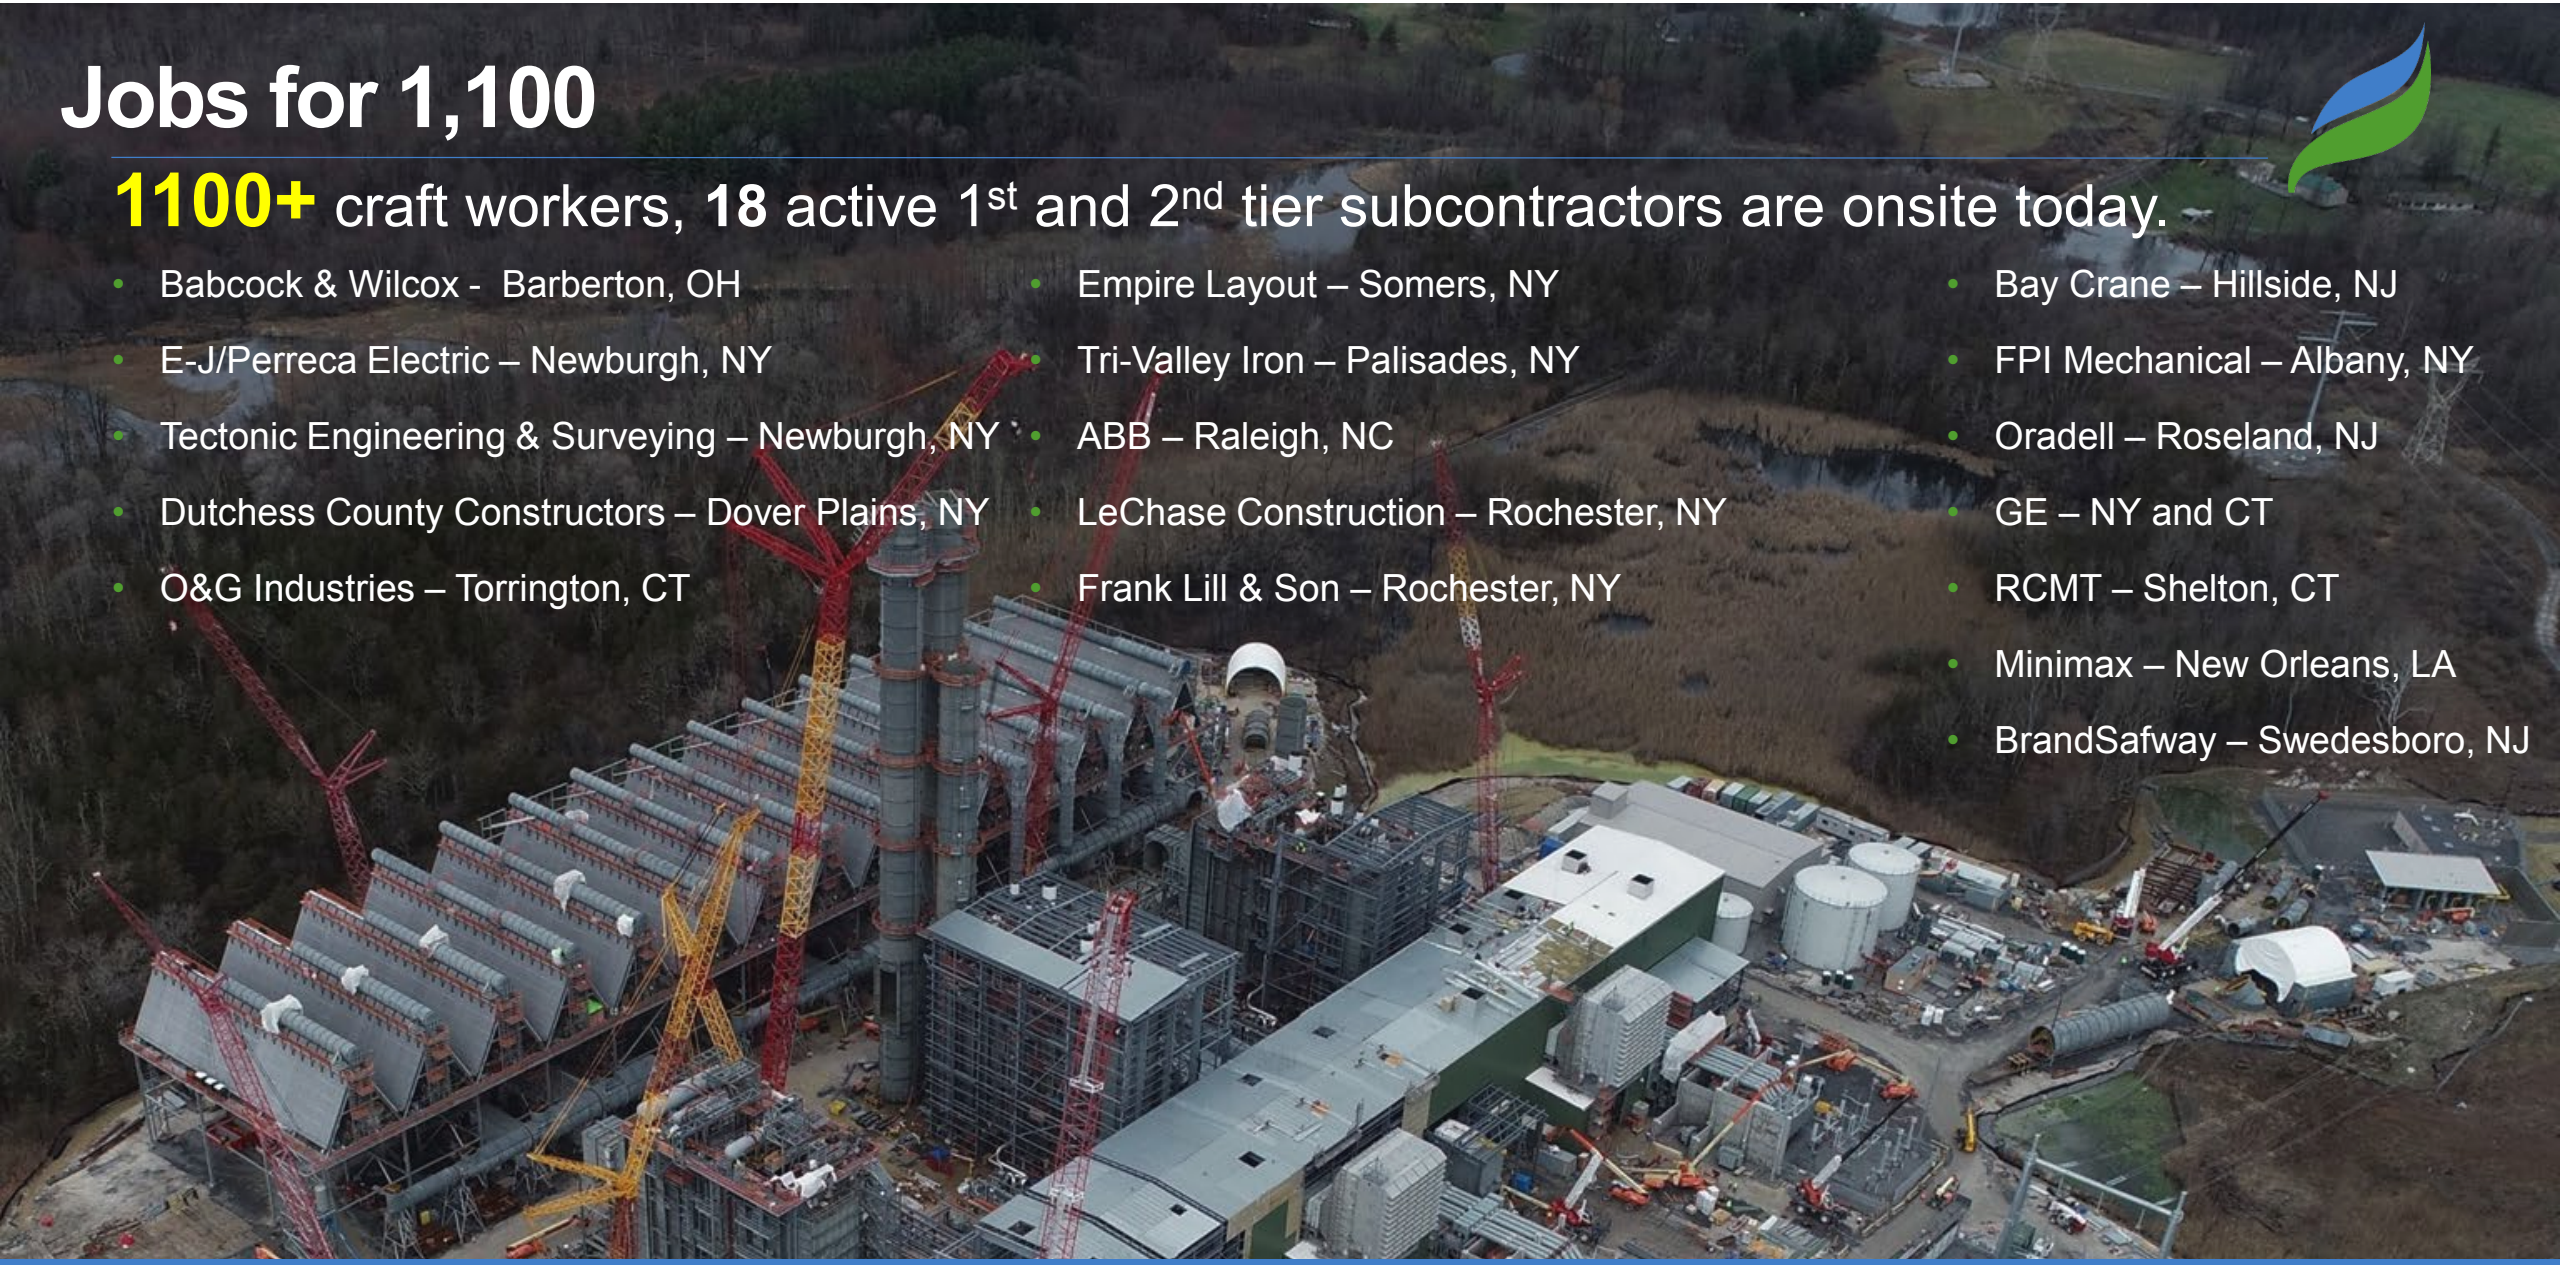
The crew worked in a very tight area, working around and closely with nearly every subcontractor on the project.

A great coordination effort, congrats!

Jobs for 1,100

1100+ craft workers, **18** active 1st and 2nd tier subcontractors are onsite today.

- Babcock & Wilcox - Barberton, OH
- E-J/Perreca Electric – Newburgh, NY
- Tectonic Engineering & Surveying – Newburgh, NY
- Dutchess County Constructors – Dover Plains, NY
- O&G Industries – Torrington, CT
- Empire Layout – Somers, NY
- Tri-Valley Iron – Palisades, NY
- ABB – Raleigh, NC
- LeChase Construction – Rochester, NY
- Frank Lill & Son – Rochester, NY
- Bay Crane – Hillside, NJ
- FPI Mechanical – Albany, NY
- Oradell – Roseland, NJ
- GE – NY and CT
- RCMT – Shelton, CT
- Minimax – New Orleans, LA
- BrandSafway – Swedesboro, NJ



Great Things to Come

June

- Energize Unit 2
- Hydro Unit 1
- MJE Complete Restoration
- Commission Water Treatment Plant
- Commence Gas System Pipe Cleaning

July

- Energize Unit 3
- Hydro Unit 2
- Tie-in & Pressurize Natural Gas to Plant
